

Integrated Work Program

The Integrated Work Program at Villa Esperanza Services is a community based day program designed to meet the needs of adults living with developmental disabilities who have a strong desire to work and would like to continue building their employment related skills through supervised employment, volunteer opportunities, as well as skill building activities.

Following a thorough evaluation to determine your individual needs, Villa's Integrated Work Program will enable you to learn first hand about:

- Efficiency
- Teamwork
- Quality control
- Safety procedures
- Work ethics
- Customer service
- Employee responsibilities
- Social interaction

If it is determined that additional skill building would be beneficial to your goal of attaining community employment, Villa will assist with:

- Prevocational skills
- Self care
- Self advocacy
- Behavior management
- Community integration
- Community safety skills
- Utilization of public transportation
- Employment placement and maintenance

If you are interested in learning more about this wonderful opportunity, please feel free to contact us at (805) 446-1939.
