hope is moving forward - Phase 1

Capital Campaign for **Villa Esperanza Services**

We are grateful for the generosity of ALL our donors who made Phase I of our new campus a reality. A special thank you to the Ayrshire Foundation and Wells Fargo, for each contributing lead gifts of \$1 million to the project.

"It finally feels like a real school."

"My favorite part of the new campus has been watching the students on the playground; there are just so many more chances for engagement!"

"The Campus feels fresh, organized and so much more functional."

hope is moving forward - Phase 2

Capital Campaign for **Villa Esperanza Services**

Villa's hope moves forward capital campaign was launched in 2012 to expand and modernize our campus to match the quality of services we provide.

Phase 1 created the first 7 classrooms of the Villa School, which welcomed students in 2018.

Now, we are focused on Phase 2A to address our next priorities:

- 3 Additional Classrooms
- Occupational Therapy Clinic
- Physical Education & Therapeutic Center

We are grateful to all of our generous Phase 2 donors for helping hope move forward at Villa!

"This project validates the worth of my child. This project says that my child and thousands like him are worth the investment. "

— Peter Vaughn, Villa Board Chair and Parent
